

## Knowing and Serving Diverse Families (2nd Edition)

This text meets the growing need for readers to learn how to interact with people who are different from them. The combination of the most up-to-date research and the expertise of seasoned professionals make this insightful text a strong foundation for preparing students to work comfortably with all people. Encourages readers to examine and appreciate the differences that exist because of diversity from race, language, ethnicity, age and socio-economic levels. Includes the most recent human and family developmental research. Examines ethnic and structural diversity in U.S. families. For readers interested in the role of parents in early childhood.
