

Acting Out - Book 7 of The Rosewoods

Seychelles Spencer-Chelly to her friends-is the resident bombshell at The Rosewood Academy for Academic Excellence; Westwood boys want her and Rosewood girls want to be her. But being the popular girl isnt everything its cracked up to be, especially when that girl is all an act. Oh, shes not exactly lying about who she is, its just that the confident, outgoing exterior is quite different from the girl inside. Not that its ever been a problem for Chelly. Until now. Because now that she sees her friends settling down with boyfriends, shes decided she no longer wants to be the carefree girl who gets all the boys attention. Now she wants to draw the attention of one guy and get herself a steady boyfriend. But before she can make that happen, a game of truth or dare that was supposed to be stacked in her favor goes terribly wrong and Chelly finds herself at the center of a dare that will make sure she never gets a guy. Still, shes determined and will do whatever it takes to get herself a guy of her own. But who? And at what cost? And most importantly, is she ready to drop the act? Acting Out is the seventh installment of The Rosewoods, a Young Adult series for readers who love fun, flirty love stories.
