

## The Comely Maids Christmas Gift

Christmas Eve in Aspen, the rich folks are away, and Calvin is stuck with his hot maid. He knows he shouldn't get excited but watching Shelley pleasuring herself on her webcam for her girlfriend is simply too much. Making matters worse is the confession she makes the next morning: she's new at this! For her Christmas present to her boss, she wants him to deflower her. Will Calvin be able to resist? After all, isn't it bad etiquette to turn down a gift? WARNING: 18+, short story (8,000 words) \*\*\* NOTE: This is a mirror version of Cheri Verset's Little S:s Gift aka First Time in Aspen; it is the same story but without taboo relationships between the characters \*\*\*
