

BioShock 2 Limited Edition Strategy Guide (Bradygames Special Edition Guides)

Set approximately 10 years after the events of the original BioShock, the halls of Rapture once again echo with sins of the past. Along the Atlantic coastline, a monster has been snatching little girls and bringing them back to the undersea city of Rapture. You are the very first Big Daddy as you travel through the decrepit and beautiful fallen city, chasing an unseen foe in search of answers and your own survival. Get in the Dive Suit! Step into the shoes of a Big Daddy and use this guide to explore the ruins and uncover the secrets of this once great underwater metropolis. Use the information gathered within these pages to locate power-up machines, find Little Sisters, and punish the deadliest foes in Rapture. Equip Big Daddy Weaponry! Rev up your Big Daddy Drill, blast your enemies with the Rivet Gun, and lay waste to Splicers with the vast array of Plasmids and Tonics at your disposal. Put Rapture's Residents to Rest! Discover the backgrounds, strengths, weaknesses, and bonuses for researching the dark city's gene splicing denizens. Join the Battle for Rapture! Use our deep multiplayer strategy and maps to go head to head with other Splicers. Learn the locations of valuable power-ups and where Big Daddy suits spawn so you can destroy your opposition. Bonus Lithographs! Own two pieces of gorgeous BioShock 2-themed art! Bundled with each hardcover guide is one of two sets of 8x10 lithographs!
