

## Boys Zone

STARbooks Press is proud to announce the re-release of Boy Zone edited by JOHN PATRICK. You find them in dark alleys, on side streets after midnight, in the back corners of bars, or in a truck stop restroom, and when you find them, you are in the Boy Zone. We have all seen them, but have you ever dared to approach one of them, and if so, what happened next? In Boy Zone, you will find out what happens when you enter the forbidden world. Boy Zone is a classic in the true John Patrick tradition of bringing together the hottest authors to relay their tales of young hustlers, horny boys and the plain curious. Boy Zone features the works of Grant Adams, Duncan P. Allen, L. Amore, Edward Bangor, Michael Bates, Greg Bowden, Leo Cardini, Nigel Christopher, William Cozad, Keith Davis, Daniel Dee, John C. Douglas, Jarred Goodall, Thomas C. Humphrey, David Laurents, Chris Leslie, Bert McKenzie, Edmund Miller, Jesse Monteagudo, Thom Nickels, David Olivera, Rudy Roberts, Ken Smith, Dan Veen, and James Wilton.
