

How to Win Big at Baccarat

Baccarat has a reputation for being played by almost exclusively by high-rollers, players that don't mind risking thousands on a single hand, but modern variations have brought Baccarat out of the VIP room and onto the main floor where more people can get involved. The fact that it gives players some of the best odds of any game in the casino has drawn in more and more players, but most people treat the game as little more than a coin flip, not realizing that powerful counting and betting strategies can push the odds in their favor. HOW TO WIN BIG AT BACCARAT starts with the basics, breaking down a single hand so that you have a full understanding of every phase of the game. It then goes on to explain how the different bets differ from each other and the relative house edge associated with different options. It tells you which bets are the best default options, which bets can be used under special circumstances to win big, and which sucker bets should be avoided no matter what. Once you have a firm understanding of how Baccarat is played, HOW TO WIN BIG AT BACCARAT develops a powerful betting strategy that includes card counting techniques, bet sequencing, and precise timing to push the odds in your favor, allowing you to make powerful plays as the game progresses. Finally, HOW TO WIN BIG AT BACCARAT covers the mental side of Baccarat, teaching you how to develop a calm, disciplined style of play while avoiding the emotional traps that cause players to throw away their hard earned winnings. HOW TO WIN BIG AT BACCARAT also provides in-depth coverage of Punto Banco, Chemin de Fer, Baccarat Banque and the fast-paced variations of the game such as EZ Baccarat and Punto 2000. There are even specialized tactics for tournament play so that you can walk into any casino, join any baccarat table, and play to win. Additional sections

on baccarat etiquette and the history of the game also prepare you for the social nuances of the game, so that you can play confidently without ever feeling out of place either at the rough and tumble mini-baccarat tables or past the velvet ropes with tens of thousands of dollars at stake. Unlike other books on the market, **HOW TO WIN BIG AT BACCARAT** treats Baccarat as the serious game that it is, and eschews gimmicky tactics that are easy to learn for deep strategies that must be learned and practiced but which give far better results once they have been mastered. **HOW TO WIN BIG AT BACCARAT** also provides players with the tools to evaluate new betting strategies and test new ideas rigorously, so that they are always able to distinguish new techniques and developments from complicated schemes with little actual merit. **HOW TO WIN BIG AT BACCARAT** a literal master-class on playing Baccarat, and it gives well-sequenced, step-by-step instructions on how to improve your game and learn the various techniques outlined in the book. As your understanding and appreciation of the game develops, players will find themselves returning to **HOW TO WIN BIG AT BACCARAT** to gain further insight into the principles of the game. Baccarat is a game of slim margins and careful play, and it takes a clear mind along with the right set of tools if you want to win. Whether you want to play a few hands at the local casino or take on the world famous Tournoi de Chemin de Fer, **HOW TO WIN BIG AT BACCARAT** will give you all the skills you need to make money playing Baccarat.
