

Criminology: The Core

Its no mystery why Larry Siegel remains THE best-selling author in Criminal Justice. Professor Siegel is known for presenting real-life stories of crime, criminals, and the hottest debates in the field, and CRIMINOLOGY: THE CORE, Sixth Edition, does not disappoint. Clear, engaging, and completely current, this four-color paperback is also concise and affordable. The text effectively uses real-world material to clarify concepts and theories, equipping students with a solid foundation in modern criminology. Grounded in Siegel's signature style -- cutting-edge theory plus meticulous research -- this book covers all sides of an issue without taking a political or theoretical position and provides a broad view of the interdisciplinary nature of the field. This edition includes the latest insights into political crime; terrorism (e.g., ISIS, lone wolves; white-collar, blue-collar, and green-collar crime; cyber crime; transnational crime (e.g. sex-trafficking); and many other topics. Whats more, the MindTap that accompanies this text helps students practice and master techniques and key concepts while engaging them with video cases, career scenarios, visual summaries, and more.
