

Get Lost, Odysseus! (Myth-O-Mania Book 10)

You might think you know all about The Odyssey, but until you read *Get Lost, Odysseus!*, you don't know the truth. With Kate McMullan's trademark blend of humor and details from the original tale, *Get Lost, Odysseus!* tells the Greek classic in a brand-new way in this eBook. The Trojan War is over, but now Odysseus has to find his way home to Ithaca . . . and in typical fashion, he's angered Poseidon enough that the sea-god has decided to make his journey miserable (if not impossible). But Hades has a soft spot for the long-gone warrior, so even if he's sworn to Poseidon he won't help Odysseus directly, he might be able to pull a few strings . . .
