

Every Move (Lorimer SideStreets)

Edgy and suspenseful young adult fiction that explores topics teens want to read about. It begins with a chance encounter: teenage Emily and her friends come to the aid of a stranger who is being bullied by a gang. Emily forgets about the incident, but the young man she helped becomes fixated on her. Only when her real love interest is attacked does she begin to understand that the stranger's interest in her has become a full-blown obsession. Every Move is a realistic but chilling look at this threatening and all-too-common form of harassment. [Fry Reading Level - 4.2]
