

Marquis De Sade Meets Goody Two-Shoes: A Few Crossed Paths & Treasured Moments

What happens when the Marquis de Sade meets Goody Two-Shoes? Or Kafka meets Lewis Carroll? Or Babar meets Hannibal? Or, more dramatically, Mishima meets Vincent van Gogh? Ronald Searle has vividly imagined just what would occur when the paths of two famous characters momentarily cross. In this definitive collection the results are cunningly penned, in intricate detail, by one of the greatest exponents of cartoon art.
