

Achingly Alice

Alice decides she needs priorities in her life. What kind of future can you have if you dont plan? Priority number one: get Miss Summers, the beautiful English teacher at her school, to marry Alices widowed father. After all, theyve been dating for a year. The only problem is the vice-principal, Mr. Sorringer. He wants to marry her too. Love, Alice finds, can be complicated, even in her own life. She has been Patricks girlfriend for almost two years. So why is she interested in other guys? But Alice isnt the only one with problems. Her friends Elizabeth and Pamela have their own troubles-- with family, with boyfriends, and with very personal matters that Elizabeth doesnt even want to discuss. If only there could be one day a week when things would stay the same: no embarrassing surprises. Life isnt like that, however, and Alice has to be ready for whatever comes next.
