

Achingly Alice

Alice must choose between Patrick and Sam in this beloved series. How can someone be in love with two people at the same time? It doesn't make sense to Alice until Sam, her friend from Camera Club, starts to pay attention to her. Sam is quiet, gentle, and a terrific dancer, and Alice likes being with him. But Alice has been Patrick's girlfriend for almost two years, so why is she interested in another guy? As Alice stumbles her way through the minefield of early adolescence, there are plenty of bumps, giggles, and surprises along the way. Every girl should grow up with Alice, and with this irresistible new look, a whole new generation will want to.
