

## Across the Pond (Freshmen)

Its overwhelming, to say the least, when the two biggest dreams Carson Fields has ever had come true all in the same day: not only does he leave his rural Lake Tahoe home to start school at Oxford University, but then he meets the childhood sweetheart he thought had gotten away. But living so far from home isnt all Carson dreamed it would be. And neither, it turns out, is his dream girl. Across the Pond is from Freshmen, an EPIC Press series.
