

Foo Fighters Ultimate Bass Play-Along Book And 2 CDs (Ultimate Play-Along)

(BASS TAB). The Ultimate Play-Along series gives you everything you need to jam with your favorite songs. This book contains authentic tab transcriptions, music notation, lyrics, and chords to eight Foo Fighters classics. There are two versions of each song on the included CDs: an instrumental sound-alike recording and an instrumental accompaniment track without bass so you can play along. When you use the CDs in your Mac or Windows-based computer, the Tone n Tempo Changer lets you easily loop sections for practice, slow down tracks or speed them up without changing the pitch, change the key, and switch back and forth between the full instrumental and play-along tracks. Titles: All My Life * Learn to Fly * Everlong * Monkey Wrench * My Hero * Best of You * The Pretender * Walk.
