

Aliens vs. Predator Volume 2 Civilized Beasts

The new world was an unspoiled frontier perfect for colonization, a virtual paradise of boundless beauty and limitless resources, untouched by human hands... but not untouched, as the unsuspecting colonists soon discovered. Now marooned on a planet infested with the deadliest Alien species ever encountered, the colonists learn firsthand the Law of the Jungle: adapt or become extinct. And a little helping hand couldn't hurt, inexplicably provided by the selfsame Predators who destroyed the colonists' ship and made them prisoners in paradise. Are these extraterrestrial hunters actually showing sympathy for the humans' plight, or do they have something even more monstrous in mind? Following the events of 2004's *Thrill of the Hunt*, *Alien vs. Predator 2: Civilized Beasts* again teams fan-favorite writer Mike Kennedy (*Lone Wolf 2100*) and artist Roger Robinson (*Gotham Nights*) in an action-packed battle royale to determine the heavyweight championship of the galaxy!
