

Dream Guy (Battalions of Oblivion) (Volume 1)

Every teen has dreams, but only Joe Knightley can make his dreams reality. Even the nightmares There can be only one Dream Master. Joe has been falling asleep everywhere, and he has enough on his plate with wrangling his wayward best mate, suppressing the urge to murder his little sister and facing off with Charlie Meek, the knife-wielding bully who makes school a misery for so many. Joe does not need the discovery that he can make his dreams come true. At first, turning a classroom into an aquarium and conjuring up a Lamborghini are amusing ways to use this new power. But Joe soon realizes he's roused an enemy far deadlier than Charlie Meek. Drawn into a duel with a being who has had centuries of experience, Joe must fight for everything he cares for. But deciding exactly what he holds dear is perhaps the biggest battle of all.
