On 7/7/2005 the Celtic Shaman was sitting outside a Coffeeshop in Amsterdam, self medicating his intrusive thoughts and depression with cannabis when the images from London came through. He stood in a trance looking at the TV screen. The bombs that went off in London that day triggered an explosion in Davids mind. For the next month he was to undergo a Spiritual Emergency, a Shamanic Trance Journey, which saw him being assaulted by the Dutch police, being arrested for hanging off the seventh floor of a Central Hotel, flying home to the UK to file an official complaint against the Dutch Police Force, fly back to the Netherlands to be arrested a further two times before landing up in Jail. God was trying to tell David something. This is his story.
