

Curso Completo de Fotografía / Complete Course in Photography (Spanish Edition)

Designed as a progressive course in photography, this reference will appeal to beginners, amateurs, and photography professionals. It contains detailed information about the camera, film, and video as well as professional questions about rights and getting work published. Organizado a modo de curso progresivo, este curso atraera a principiantes, fotografos aficionados, y profesionales. Abarca temas que van desde los tipos de peliculas, camaras, y objetivos hasta cuestiones profesionales sobre el mundo de los agentes y los derechos de autor.
