

## Asterix and the Great Divide (Asterix Adventure) (Spanish Edition)

The path of true love never did run smoothly especially when the sweethearts fathers have split their town in half. Thats the problem for Histrionix and the beautiful Melodrama, son and daughter of two rival chieftains. So the star-crossed lovers call in Asterix, Obelix, and Getafix to sort everything out. Can the trusty trio persuade the village to reunite? Maybe some magic will help.
