

Secrets & Sapphires (At Somerton)

DOWNTON ABBEY meets GOSSIP GIRL in this racy first instalment of an exciting new sequence. One house, two worlds, dark secrets... The year is 1910. For the past decade, the Averley family has lived a life of luxury in India, but now they must return to Lord Averleys ancestral estate, the sprawling, majestically beautiful Somerton Court. As the household staff hastily prepare for the familys arrival, they receive shocking news: Lord Averley is bringing back a fiancée with three children of her own, and on top of that, there are rumours of a terrible scandal surrounding Lord Averleys resignation as Lieutenant Governor of Bengal. As the family settles in, tensions arise both upstairs and downstairs. Lady Ada must choose between her honour and her heart, Sebastian must fend off ruinous threats from a former servant (and lover...) and gentle housemaid Rose will find herself at the centre of a scandal so enormous it could destroy the Averleys reputation forever. With plenty of scheming, scandal and sauciness, SECRETS & SAPPHIRES is a thrilling period-drama perfect for fans of Jilly Cooper and DOWNTON ABBEY.
