

Australian Betting Bible

Millions of people gamble on sport and racing recreationally each year. Most of them lose money, only a very small number are successful. Those who are follow tried and proven methodologies and are strongly disciplined in their pursuit of profit. There are no quick rags to riches opportunities in gambling, but there are ways to maximise your profits and minimise your losses. We look at many of those methods and point in the right direction. The author has worked as a statistician in two sports, rugby and cricket, has been a sports administrator at an international level and has represented Australia internationally at sport. He has been involved in online sports professionally for nearly 20 years.
