

Racing Stewart: The Birth of a Grand Prix Team

F1 is a difficult business to break into and when new arrivals do appear, very few survive beyond the first year. In 1997, not only did a new team make an impression and gain a foothold, but it bore the name of Jackie Stewart. Never before has a F1 team arrived with such a high profile. Racing Stewart tells the story of this remarkable adventure. Stewart-Ford is unique, and here, for the very first time, the birth of a GP challenger is fully revealed. Foreword by Jackie Stewart & Paul Stewart.
