

Avalon High

Avalon High, I was starting to think, might not be so bad after all. Maybe it's not where Ellie wants to be, but if you have to start at a new school, Avalon High is typical enough: There's Lance, the jock. Jennifer, the cheerleader. And Will, senior class president, quarterback, and all-around good guy. But not everyone at Avalon High is who they appear to be . . . not even, as Ellie is about to discover, herself. As a bizarre drama begins to unfold, Ellie has to wonder, what part does she play in all this? Do the coincidences she's piecing together really mean as in King Arthur's court that tragedy is fast approaching for her new friends? Ellie doesn't know if she can do anything to stop the coming trouble. But somehow, she knows she has to try.
