

## Back When You Were Easier to Love

Whats worse than getting dumped? Not even knowing if youve been dumped. Joy got no goodbye, and certainly no explanation when Zanthelove of her life and the only good thing about stifling, backward Haven, Utah-unceremoniously and unexpectedly left for college a year early. Joy needs closure almost as much as she needs Zan, so she heads for California, and Zan, riding shotgun beside Zans former-best-friend Noah. Original and insightful, quirky and crushing, Joys story is told in surprising and artfully shifting flashbacks between her life then and now. Exquisite craft and wry, relatable humor signal the arrival of Emily Wing Smith as a breakout talent.
