

Bansenshukai - Blank Workbook

Warning: This product is a blank workbook. The Bansenshukai is a historical ninjutsu manual which was written by a shinobi named Fujibayashi Yasutake and which has been published in English by the Historical Ninjutsu Research Team under the title; Book of Ninja. This Bansenshukai: Blank Workbook is place where students of the historical ninjutsu manual can make notes, plan out situations, interpret the text and illustrate their own research and study. The Bansenshukai is not a manual that should simply be read instead it is a text book that should be studied in depth. Students of ninjutsu can use copies of this blank workbook to record their journey through the teachings of Fujibayshi, allowing them to keep their lesson notes for years to come and reflect back on their progress. This blank workbook has been set up so that your study can continue over many volumes. Simply insert the number of this volume into the white squares provided and move on to the next Bansenshukai: Blank Workbook when this one is complete. There is no end to the study of ninjutsu, making the recording of your notes extremely important. Now you have a beautiful place to keep those notes and expand your training, building on each stage as you acquire the art of ninjutsu.
