

Literature for Composition (11th Edition)

For courses in Literature for Composition, Writing About Literature, and Introduction to Literature. The definitive source for composition and introduction to literature courses. With an emphasis on critical thinking and argument, Literature for Composition offers superior coverage of reading, writing, and arguing about literature along with an anthology organized around eight thought-provoking themes. Throughout, the authors demonstrate that the skills emphasized in their discussions of communication are relevant not only to literature courses, but to all courses in which students analyze texts or write arguments. Also available with MyLiteratureLab. This title is also available with MyLiteratureLab an online resource that works with our literature anthologies to provide engaging experiences to instructors and students. Students can access new content that fosters an understanding of literary elements, which provides a foundation for stimulating class discussions. This simple and powerful tool offers state-of-the-art audio and video resources along with practical tools and flexible assessment.
