

Weird Places (Fact to Fiction)

From Death Valley to jungle temples where humans were sacrificed, from a giant lake under the ice to pirate treasure that nobody can reach. There are some weird places in the world. Find out all about them; get the facts. Got that? Then read *The Lost Tribe*, a story about what might have happened to a race of tiny humans. Then use the Word Check to make sure you sound like an expert on the weirdest parts of the world.
