

Bitterroot: Part 3

Regan and Charlie Vuk are finally forced to compete for the position of werewolf pack alpha. The winner gets to lead and she also gets Owen Rossi, the vampire prince's hand in marriage whether she wants it or not. But only one sister already has his heart. If Regan wins, will she be able to let go of her feelings for Carter and put duty before desire? Will Charlie be able to survive long enough to get a fair shot at the competition and at Owen? Before it's over, both girls will have to compete for more than just the role of alpha. Someone has a grudge and they'll do anything to exact vengeance on the guilty. Including removing one of the Vuk sisters from the equation. Subtle threats escalate to attempted murder. One sister's life hangs in the balance. The other must do whatever it takes in order to save her pack and her sibling including making the enemy her ally. Will the vampires and werewolves finally forge peace or will sibling rivalry prove fatal for them all? The epic conclusion to Bitterroot, a 3-part YA paranormal romance novella series by Heather Hildenbrand & SM Reine
