

The Legends of Bare-Knuckle Boxing: The History & the Champions

Bare-knuckle boxing (also known as bare-knuckle, prizefighting, fist fight or fisticuffs) is the original form of boxing, closely related to ancient combat sports. It involves two individuals fighting without boxing gloves or other padding on their hands. The difference between a street fight and a bare-knuckle boxing match is an accepted set of rules, such as not striking a downed opponent. This edition by Patrick White covers legendary bare-knuckle fighters from the 18th century - 21st century. Biographies, records, champions, legends, histories, rules and analysis of the world of bare-knuckle boxing. Serves as an excellent reference source.
