

Blood Moon (Howl #2)

Samara McKinley hasn't even had time to adjust to being a shape shifter when her werewolf gene makes things even more complicated. Samara knew when she decided to become an Ima that there would be consequences. Things with her friends and family become tense, and the dynamics of the Ima pack are changed forever. To top it all off, Jason Masterson wants to claim her life. Little does he know, she's out for his, too.
