

Home (Mirror Book 3)

I've realized I'll never have all the answers, but some things, without a doubt, I'll die knowing: ONE The mirror brought beauty into my life, but to keep a balance, it took something vital away from me. TWO Seeing someone I love die changed me, altered my heart so completely there are pieces I don't recognize. THREE I fell in love three separate times, each with a different Miles. The only parts of my heart I do recognize are the pieces that belong to him. FOUR Chris is different than the man I first met. He showed me that evil is learned, not given. And he taught me more than I ever thought I was capable of learning. FIVE Black hearts aren't dead. They just need to find those things worth beating for. People say your life flashes before your eyes right before you die. Mine did. But only the good memories.
