

Green Guys: A weird play turns Sherwood Forest upside down (Micro Stories Book 3)

Wyatt Ross manages a costume shop in a mid-sized town. But his life changes when he reads that auditions are being held for a new musical based on Robin Hood's adventures. Though past 40, Wyatt auditions for the role, and surprisingly gets the part. But he soon discovers that a mysterious killer presents a new threat to the players who compose the cast of the Sherwood Forest-based musical Green Guys. Will Wyatt survive? Will he locate the killer before the killer finds him? And is there any hope for this new musical twist on an old legend? Join Wyatt and the rest of the cast as they try to keep the play afloat and the actors alive.
