

Lockie Leonard: Legend

Lockie Leonards survived the worst year on record. His first year of high school, settling into a new town, his mad love affair - its all behind him. Hes about to turn 14 and things are looking up. But the world of weirdness hasnt finished yet. His little brothers hormones have kicked in and thats not a pretty sight. His lino-munching baby sister refuses to walk or talk. His dad starts arresting farm animals for a hobby and his poor mum suddenly wont stop crying. Then an old flame comes scorching back into his life. Ouch!
