

## Broken (Broken Series Book 1)

Meet Milan, a young supermodel with a disability from New York's Upper East Side, who falls deeply in love as she is coming of age. In this romantic drama, the emotional conflict of a girl's inner soul is revealed as she deals with a first love, the pain of loss, and the pleasures of stardom, all while coping with a lifelong secret. In the world of Milan, the people are real, the situations are rolling, and the truth is often concealed. Broken is a racy circle of sisterhood, laced with a touch of earthiness, glamour, wealth, and fame.
