

Break the Spell

Alone. On the run. Until she came along. When Allison Evans walks out of high school the last day of her senior year, she has no idea that her carefully guarded life is about to unravel. Ethan Knight is on the run. Accused of dealing drugs and armed with nothing but a bad reputation and his motorcycle, he takes refuge for the weekend inside the old high school. Thinking no one will find him and no one does. Until Allison. Panicked and left with no other choice, Ethan takes her captive. It should be a nightmare, but together, both of their lives take an unexpected turn. Its time for them both to stop running from their problems.
