She sort of wishes she was, though. If she were all of this, all of the evil going on around her-- because of her-- wouldnt be happening. She wouldnt need the demon blood. She wouldnt be scared to go home. And she wouldnt be having any sort of feelings for Hart Blackwell, the demon who has been with her since she was a baby. Heaven is in the midst of a mutiny. Hell is gathering to escape. When time runs out, can Gracen force Hart to do the one thing that will save the world, or will Harts feelings for her destroy them all?
