

Brian Johnston: Johnners Trivia Test Match

Brian Johnston - aka Johnners - the BBC's long-time cricket commentator, is the umpire in this test of wit and general knowledge, as two teams try to score the highest number of runs under his watchful eye. In these four episodes, team captains Tim Rice and Willie Rushton are joined by Stephen Fry, Paul Merton, Tim Brooke-Taylor, Barry Cryer, Bill Tidy, Caroline Quentin, Bernard Cribbins, and Robin Bailey. But which questions will they go for? The easier single worth just one run? Or will they try the harder question and attempt a boundary (four runs)? Can the batting team reach six questions (an over) before the other team gets a go? And there's every chance that calls of Howzat! or Bouncer! can interrupt play.... With questions that include trivia and unusual facts, hear the stumps fly and the wickets fall in these four wonderful episodes. Brian Johnston, Tim Rice, and Willie Rushton feature in four classic episodes of the general knowledge quiz based on the rules of cricket.
