

## The Buckland Romani Tarot Deck

Finally there is a Tarot that embodies the spirit of the Gypsies. The Buckland Romani Tarot is a beautiful new deck that follows the traditional form of the tarot, but incorporates Gypsy forms and symbol. Drawing on his experiences with his Romani (English Gypsy) family, Raymond Buckland has teamed with artist Lissanne Lake to produce a beautiful deck that embodies the rich traditions and deep, earthy wisdom of these passionate people. Anyone who is familiar with the cards will enjoy this refreshing new approach, and anyone new to the tarot will enjoy the ease of use and down-to-earth nature of this attractive deck. The accompanying book presents a full set of fresh, insightful interpretations written specifically to match this deck, along with traditional meanings. It also includes a Romani-English word list, historical background on the Gypsies, guidance on caring for and using the cards, and a selection of spreads. Many books on the tarot are so obscure and complex that they end up discouraging everyone but the advanced practitioner. In contrast, this book is written in simple language, that makes reading and studying the tarot a joy. In addition, it relays fascinating historical facts about the Gypsies. Although the exact origins of the tarot are shrouded in the mists of antiquity, we know one thing for certain-it is the Gypsies who are most directly responsible for keeping this ancient fount of wisdom from fading into obscurity. Now Raymond Buckland finally gives them the credit they are due. Discover how, in their wanderings, they have preserved the arcane wisdom of many lands and civilizations. Let the Romani Tarot help you see the world through Gypsy eyes.
