

## Shadow Play Pack of 6 (Cambridge Reading)

Shadow Play is part of the Key Skills strand (High Frequency Words) of Cambridge Reading. It provides children with instructions of how to make animal shadows and encourages them to try new ones for themselves. Photographs are used to make the books real and relevant to childrens own experiences. The language is simple with repetition of high frequency words - ideal for young readers in the Foundation stage (aged 4). There are 20 non-fiction books in the High Frequency Words strand, which provide a comprehensive resource for teaching the 45 NLS high-frequency words. The words are introduced in the context of real texts through three different text types - I remember (recount), how to (instruction) and find out about (report).
