

Stuffed (Orca Soundings)

When Ian and his classmates watch a documentary about the health concerns of eating fast food, Ian decides to start a boycott and stop everyone he can from eating at Frankies, a huge fast-food chain with a questionable menu. The boycott takes off and Frankies gets concerned. The company's lawyers threaten Ian and his friends and try to force them to stop the boycott. Ian must convince others that the boycott is a good idea. Can Ian stand up for what he believes in? Can you take on a corporate behemoth and win?
