

Dogs Best Friend: Library Edition (Middle School)

Releasing the same month as the Middle School movie, this next installment of James Patterson's hit series has nonstop laughs starring everyone's favorite underdog. It's a dog-eat-dog world, and Rafe Khatchadorian is just trying to live in it. Life in middle school is finally starting to seem bearable--until Rafe spots his grandmother standing on the free-meal line at the local soup kitchen. In order to help bring in more money, Rafe concocts a brilliant plan--a dog-walking business that soon turns into a huge money-making neighborhood empire. He'll even have extra cash to buy his own WormHole Deluxe Multi-Platform GameBox! That is, until two terrible twins launch the Great Dog War by sabotaging Rafe's flyers and stealing his customers. Plus, his bratty kid sister Georgia has skipped a grade--so now she's in all of Rafe's classes. Throw a kid a bone!
