

Dictionary of Transports and Combatant Vessels, Steam and Sail, Employed by the Union Army, 1861 - 1868

This volume is the reference companion to the Gibsons award-winning study *Assault and Logistics: Union Army Coastal and River Operations, 1861 - 1866*. The Dictionary is an annotated, cross-indexed work with operational notes on vessels owned, chartered, or otherwise hired by the US government during the Civil War and Reconstruction. The entries describe 1,966 steamers of river and ocean classes as well as 2,003 sailing vessels.
