

## Six Men and a Wedding (The Three Bears Book 4)

Golden and Jax are getting married, but not before their friends Colt and Linc, along with their boyfriends, can organize a bachelor party to end all bachelor parties. The men go out for a night of their lives, celebrating their love, and their friendships.

Once they get home, sparks fly between the six thanks to a little over imbibing and Golden's desire to share Linc and Colt one more time before he walks down the aisle. The night tests the limits of their friendships, as well as, the newfound loves the other men now have. When it comes to the day of the wedding, will there be anyone left together?
