

## Celebration & The Room (Faber Plays)

A restaurant. Two curved banquettes. Its a celebration. Violent, wildly funny, Harold Pinters new play displays a vivid zest for life. In The Room, Harold Pinters first play, he reveals himself as already in full control of his unique ability to make dramatic poetry of the banalities of everyday speech and the precision with which it defines character. Harold Pinters latest play, Celebration, and his first play, The Room directed by the author himself, premi?red as a double-bill at Londons Almeida Theatre in March 2000.
