

The Professor Position: A Prequel to Good Chemistry

I pushed myself forward, pressing my fingertips along his thighs. I couldn't believe what I was doing, but something kept urging me forward. Professor Cassidy had the power to make or break my college career, and I wasn't about to let prudish feelings get in the way of my future. I smiled up at him with a sultry look in my eyes. My hands reached his belt buckle and began unfastening it. I glanced down at his pants and could see the tell-tale bulge of a man who wasn't going to object. Angela is a bright young student, but college life is proving to be more than she can handle. When she takes it upon herself to seduce her professor for a passing grade, it leads to a discovery that she has hidden talents beyond simple chemistry. In this prequel to Angelica Siren's smash hit *Good Chemistry*, you'll discover the origin of the genius mind that would go on to master the Pheromone Catalyst solution. In her first year at college, Angela journeys from being a bright student to a sexy seductress with powerful ambitions of her own. This story contains depictions of sexual situations between consenting adults. This work of fiction is intended for adult audiences.
