

# Complete Custom Closet: How to Make the Most of Every Space (Popular Woodworking)

No More Cluttered Closets! How would you like to create a storage or work area that isn't just a black hole behind some doors? Using basic to intermediate carpentry and cabinetmaking skills, you can make your closets what they should be - organized, orderly and well-utilized spaces. With step-by-step photos, captions, sidebars and tips, this book shows you how you can create your own custom closets quickly and easily. Projects include: Laundry room closet Kids room closet Sports closet Walk-in closet Home office closet Spare bedroom closet Shared master bedroom closet Hall closet
