

Altered Souls (Witch Avenue Series #2)

The realm of Altered Souls brings nothing but unrest, deceit, and pain forcing Triss to come face to face with heartbreak from her past. Facing a betrayal like never before, Triss questions everything she thought she knew about her family, coven, and abilities. With the help of Logan, she embarks on a journey enabling her to confront the dark side of magic and the person who controls it. Realizing Triss's ancestors have been seduced for centuries by the dark side, Triss and Logan must ensure no more in their world fall victim to the realm of Altered Souls, even if that means ending the ones they love.
