

Craps for the Single Mom

Are you a single mom struggling week-to-week trying to make ends meet? Here is a safe, legitimate way to get the money your family needs with tremendous rewards. Even if you've never played the game before, you can master this proven winning strategy in just a few days! Get more money for your children... Spend more time with your children... Have more money for yourself... Take control of your life... What will you get out of it? Money to pursue your goals... Validation as the true provider in the eyes of your children... A new sense of self-respect, pride and freedom from worry and stress knowing you can stand alone and face the world on your terms! Create a new set of opportunities for yourself and your children! Don't know how to play Craps? Craps for the Single Mom is for the beginner as well as the experienced player. Learning the game isn't as difficult as you might think. For example... Pick a number...4, 5, 6, 8, 9 or 10... Roll your dice... If the number selected rolls before a 7 - you win... If a 7 rolls before the number - you lose... That's it! Now you know how to make a Place bet! Pretty simple, don't you think? Maybe it's not the game that was confusing you; maybe it was the way you were being taught. Perhaps all you need is the right teacher.
