

Crash into You (Pushing the Limits Book 3)

From acclaimed author Katie McGarry comes an explosive new tale of a romance forged in the fast lane. The girl with straight As and the perfect life that everyone expects Rachel Young to be. So the private school junior keeps secrets from her wealthy family and she's just added two more to the list. One involves racing strangers down dark country roads in her Mustang GT. The other? Seventeen-year-old Isaiah Walker, a guy she has no business even talking to. But after the foster kid with the tattoos and intense gray eyes comes to her rescue, she can't get him out of her mind. The last thing Isaiah needs is to get tangled up with a rich girl who wants to slum it on the south side for kicks. But when their shared love of street racing puts their lives in jeopardy, Isaiah and Rachel will have six weeks to come up with a way out. Six weeks to discover just how far they'll go to save each other.
