

Game: The Sequel to I Hunt Killers

Several Months have passed since Jazz helped the Lobos Nod police force catch the serial killer known as the Impressionist. Every day since then, Jazz has dealt with the guilt of knowing he was responsible for his fathers escape from prison. Now Billy Dent is on the loose, ready to kill again. Jazzs reputation has spread far beyond the borders of his sleepy hometown, and when a determined New York City detective comes knocking on Jazzs door asking for help with a new case, Jazz cant say no. The Hat-Dog Killer has the Big Apple in a panic, and the police are running scared. Jazz has already solved one crime, but at a high cost. Innocent people were murdered because of him. Is the Hat-Dog Killer his means of redemption? Or will Jazz get caught up in a killers murderous game? And somewhere out there, Billy is watching...and waiting.
